

KREISLER WILL PLAY
IN COLUMBIA OCT. 29

Noted Violinist Engaged for
Concert in Annual Phi
Mu Alpha Series.

SIX OTHER NUMBERS

St. Louis Orchestra to Appear
Twice—Agnes Scott Lon-
gan Coming "Home."

Fritz Kreisler, famous violinist, will
play in Columbia on October 29.

This news is contained in the an-
nouncement of this season's concerts
under the auspices of Phi Mu Alpha.
Kreisler, as the artist of the "extra
concert," which has now become a
tradition, will precede the regular
series of six concerts beginning in
November.

This series is regarded as especial-
ly notable for its variety and for the
high quality of the artists engaged,
including as it does one of the great-
est of woman pianists, a prima donna
contralto, a famous baritone, an
American soprano—a Missourian—just
rising into fame, and a symphony or-
chestra of the highest rank, which
will give two concerts, and with which
will appear soloists of reputation.

Program for Ninth Season.

The program of the entire series,
arranged for the ninth season of Phi
Mu Alpha, is as follows:

October 29 (Friday)—Fritz Kreisler,
violinist. Extra concert.
November 26 (Friday)—St. Louis Sym-
phony Orchestra and soloist.
December 15 (Wednesday)—Katherine
Goodson, pianist.
January 13 (Thursday)—Frances In-
gram, contralto.
February 8 (Tuesday)—Oscar Seagle,
baritone.
March 1 (Wednesday)—Agnes Scott Lon-
gan, soprano.
March 7 (Tuesday)—St. Louis Symphony
Orchestra and soloist.

The extra concert this year pre-
cedes instead of follows the series.
The series itself begins and ends with
a symphony concert—a fact which will
be especially pleasing, the makers of
the program believe, not only to the
many who delight in symphony music,
but to those who believe that because
of its educative character and because
it represents high forms of musical
art, it should be made an indispens-
able part of any concert sequence.

Of the individual artists to appear
this year, Katherine Goodson, is said
by many critics to be the greatest liv-
ing woman pianist. She has achieved
conspicuous triumphs not only in
America, but in Europe. On one of
her visits to Berlin, Miss Goodson was
invited to play to the emperor and
empress of Germany.

Frances Ingram is the contralto who
has made a signal success as prima
donna in the Chicago and Montreal
Grand Opera companies. Chicago pa-
pers speak of her as a remarkable
artist.

A Favorite in Europe.

Oscar Seagle is described as pos-
sessing a lyric baritone voice of great
beauty and power. Seagle is a fa-
vorite not only in New York and Boston,
but in London and Paris, where the
best critics speak highly of his work.

Agnes Scott Longan, soprano, is a
Missourian who, after three years in
Paris under L. d'Aubigne, returned to
America last season and won instant
favor.

The St. Louis Symphony Orchestra
has been heard for several seasons
here. "Music lovers are increas-
ingly demanding that two or more con-
certs by this great organization be
made an annual event." Phi-Mu Alpha
says in its announcement.

For the Kreisler concert, it has
been arranged to allow season ticket
holders the same concessions as were
made last year in the case of Schu-
mann-Heinck. Announcement con-
cerning tickets will be made later.

HOW TIMES CHANGE!
6 SPANKED A MONTH

Standard of Children's Be-
havior High Here, Says
Superintendent.

2,119 NOW IN SCHOOL

Increase Is Shown of 168 Pu-
pils Over Same Time of
Last Year.

Only six bad school boys in Colum-
bia! At least only six of them were
captured last month. The boys in Co-
lumbia have always been good, but
they are 25 per cent better this year
than they were last. Last September
there were eight cases of corporal
punishment in the Columbia schools.

This year there were only six.
"The standard of behavior of our
children is remarkably high," said J.
E. McPherson, superintendent of
schools, today, discussing the report
that he made to the School Board last
night. "Columbia is almost entirely
devoid of ruff-raff, neglected homes and
the sorts of dissipation which result
in a child that is hard to manage. Of
course we take some of the credit to
ourselves as good disciplinarians, but
we get mighty good material to work
on.

Enrollment Shows Gain.

"The total enrollment for Septem-
ber, 1915, was 2,119, showing an in-
crease of 168 over the same month
last year. This is also unusually high
for a town the size of Columbia, show-
ing that the children are not only good
but that they believe in education,
and since 94 per cent of them were in
daily attendance you can see that
they are healthy as well. Some of
them do like to sleep late, however.
We had 65 tardies last month."

At the meeting of the board last
night in the office of Secretary John
L. Henry, the usual routine business
of allowing bills and salaries was
transacted. School was ordered dis-
missed on Tuesday afternoon, Novem-
ber 2, giving the teachers an oppor-
tunity to attend the State Teachers'
Association meeting in Kansas City
from the 4th to the 6th, inclusive. The
board will attend in a body and S. F.
Conley of the finance committee will
lead a discussion on the annual school
budget. One day will be spent in
visiting the schools.

Credit for Work in Music.

A motion was passed to allow stu-
dents credit for work done in music
in other schools of recognized stand-
ing, or with teachers recommended
by such schools, while the student was
regularly enrolled in the high school,
total credit, not to exceed one unit.
Forty-one dollars in prizes won at
the Sedalia State Fair was ordered
distributed among the winning rooms.
It will be spent for pictures.

STEPHENS COLLEGE HAS OUTING

Students, Teachers and Curators At-
tend Barbecue at Shepard Farm.

More than 200 students and teach-
ers of Stephens College took part in
the annual barbecue of that school
held yesterday at the Shepard farm,
one mile from Columbia on the Ash-
land gravel road. Members of the
board of curators and their wives
were guests at the outing.

With Frank Enloe of Jefferson City,
a negro barbecue cook in charge, 150
pounds of mutton, beef and pork were
prepared for the picnickers.

In the afternoon a number of ath-
letic contests were held. Around a
campfire at night, members of the
party toasted marshmallows and told
stories. The return to Columbia was
made at 9 o'clock.

Men's Supper at Christian Church.

Dr. J. W. Hudson, professor of
philosophy in the University, and the
Rev. W. A. Shullenger of Mexico,
Mo., will be the principal speakers at
a men's supper at the Christian
Church at 6:30 o'clock Thursday eve-
ning. The Rev. Madison A. Hart, pastor
of the church, will be toastmaster.
Music will be furnished by members
of the choir. Supper will be served
by the ladies of the church.

Election Case to Jury Today.

By United Press.
INDIANAPOLIS, Oct. 12.—The de-
fense made its closing argument today
in the case of Mayor Bell, charged
with corrupt election conspiracy. It
characterized the prosecution as a
"theatrical conspiracy without sus-
taining proof." The case will prob-
ably go to the jury today.

VARSITY ATHLETES
ARE NOT FLUNKERS

Scholastic Records Show That
Tigers Ranked Higher
Than Non-Competitors.

WOMEN LEAD AGAIN

All Sororities Stood High
Above the Student Aver-
age Last Year.

Varsity athletes, contrary to the
common belief, are not "flunkers,"
but good students—even superior in
scholarship to men not athletes. This
holds true at the University of Mis-
souri, at least, according to the re-
port just issued by the committee on
statistics for scholarship in the sec-
ond semester of 1914-15. The figures
disclose many interesting facts about
the scholarship of the different classes
of students in the University.

The averages are all computed on
the basis of the grading system which
gives extra credit for superior work
and subtracts credit for inferior
scholarship. The average of the total
number of students in the University,
on a basis of 31,219 hours of work, is
97.4 per cent. The average of all the
men in the University is 95.8 and of
the men not athletes 95.7 per cent,
while the Varsity athletes made a per-
centage of 96.5 for the last semester.
They were also above the class ath-
letes, who made 95.7 per cent.

Women Outrank Men.

The University women, who have
been consistently leading the men,
continued their record. Their mark
this year was 101.3 per cent, or 5.5
per cent better than the men.

The average of non-fraternity men,
excluding freshmen, was raised the
last semester to 99.5 per cent, which
is 3.5 per cent better than the average
of the fraternities, with an average
mark of 96 per cent. The sororities,
however, made better grades than
the non-sorority women. The sorority
girls, excluding freshmen, made a
percentage of 105.1 per cent, as op-
posed to 103 per cent made by the
girls not belonging to sororities.

Every sorority equalled or bettered
the mark of the non-sorority women.
Pi Beta Phi was first with 107 per
cent. The ranking of the other soror-
ities is: Alpha Phi, 106; Kappa Kappa
Gamma, 105; Delta Gamma, 105; Phi
Mu, 104; Kappa Alpha Theta, 104;
Alpha Delta Pi, 103; Chi Omega, 103.

The Fraternity Standing.

Beta Theta Pi and Pi Kappa Alpha
were tied for first place among the
fraternities, with percentages of 101.
Acacia was a close second with 100
per cent, while the other fraternities
followed in close order. Sigma Alpha
Epsilon made 99 per cent; Sigma Nu,
98; Sigma Chi, Phi Delta Theta and
Phi Gamma Delta, 97; Kappa Alpha,
95; Sigma Phi Epsilon, 94; Kappa
Sigma and Phi Kappa Psi, 93; Alpha
Tau Omega, 92, and Delta Tau Delta,
88.

A cumulative record of the scholar-
ship of the social fraternities shows
that all but two have bettered their
scholarship since February, 1912.

The members of the committee on
statistics are: W. G. Manly, chair-
man; Max F. Meyer, H. J. Davenport,
P. F. Trowbridge and A. Lincoln
Hyde.

LAWYERS MUST GET UP EARLY

Judge Harris Gives Opinion on At-
torneys Not Ready by 9 O'clock.

Members of the Boone County bar
probably will set their alarm clocks
for an earlier hour, after a lecture by
Judge David H. Harris today.

When Judge Harris convened Cir-
cuit Court at 9 o'clock this morning,
one lawyer was in the courtroom. The
judge waited a while and then called
the docket again. This time two
lawyers were ready for business.
Even the cane-carrying law students
were absent from their ring-side seats.
Then followed the lecture.

Judge Harris laid particular em-
phasis upon his opinion of lawyers
practicing in his court who failed to
be ready for court business at the
proper time.

Club Women Meet at Maryville.

ing the fifteenth annual meeting of the

tion of Women's Clubs at Maryville
today. They are Mrs. Rosa Ingles,
Mrs. Charles W. Greene and Miss
Pearle Mitchell. Today's and tomor-
row's meetings will be of state boards.
The convention will last four days.

THE WEATHER.

For Columbia and vicinity: Showers
late this afternoon or tonight and prob-
ably Wednesday; slightly cooler.
For Missouri: Rain tonight and prob-
ably Wednesday; cooler west portion to-
night.

Unsettled weather continues in most of
the territory east of the Rocky Mountains
and in the Mississippi valley, having a
slow eastward drift. Rain has fallen
in northeast Texas, Oklahoma, Colo-
rado, Kansas, the western part of Mis-
souri, and thence on through Iowa to
Minnesota.

Temperatures are about 10 degrees lower
this morning along the eastern slope of
the Rocky Mountains, but in the Northern
Rocky Mountain states the weather is
somewhat warmer; east of the Mississippi
conditions have not changed much.

Unsettled weather will continue in Co-
lumbia during next two days, perhaps
with showers, and slightly lower tem-
peratures.

WILL JOIN AD CLUBS

Retail Merchants Will Study
Advertising—Other Bus-
iness of Session.

The Retail Merchants Association
last night:

Voted to ask the local express com-
panies to improve the delivery serv-
ice;

Affiliated with the Associated Adver-
tising Clubs of the World;

Arranged to help provide accommo-
dations for the visitors at the Kansas
football game;

Decided to have an oyster supper in
honor of Claud Wheeler, who is leav-
ing Columbia;

Bought a directory of 5,000 persons
in Boone County.

The Retail Merchants Association
in executive session at its new club
rooms last night had a busy meeting.

The American and the Wells, Fargo
express companies will be asked to
provide an additional wagon to facili-
tate express deliveries to Columbia
merchants. The two express compan-
ies combined offices two years ago and
the number of delivery wagons was
cut down, notwithstanding the in-
creased business.

C. E. McGee, Columbia agent for the
companies, said today the 30 per cent
decrease in express rates had made the
total receipts of his office insufficient
to warrant putting on an additional
wagon all the year.

The association voted to affiliate
with the Associated Advertising Club
of the World. A systematic study of
local advertising methods will be
made.

The retail merchants will help take
care of the visitors at the Kansas
game Thanksgiving Day. The hours
of closing on the day of the game were
discussed. A list of boarding houses
and homes where visitors may stay
will be compiled.

A directory of all persons in Boone
County outside of Columbia and Cen-
tralia, compiled last summer by the
Herald-Statesman Publishing Com-
pany, was bought by the association
and will be used as a mailing list for
the association members. It contains
information about 5,000 persons.

and Dance.

Two hundred persons, taxing the ca-
pacity of the tables, attended the Co-
lumbus Day banquet and dance given
by the local Knights of Columbus in
their hall on the second floor of the
Thilo Building last night. Dinner
was served by the women of the Sa-
cred Heart parish. Afterward talks
were made on Columbus and his
achievements, and the celebration
closed with a dance.

Those who spoke were: The Rev.
Father F. J. McArdle of Booneville, the
Rev. Father T. J. Lloyd, pastor of the
Columbia parish, H. L. Dahm, assist-
ant in chemistry in the University, and
H. P. Malkus, a student in the Universi-
ty. T. J. Hutton was toastmaster.

Two solos were given by Miss Gen-
evieve Seley. The Tiger Four, com-
posed of Thurlio Rogers, Mark Morris-
on, T. M. Cornell and Lisle Worming-
ton, also sang.

graduates of this University, and Miss
Sarah Linger, who have been in Co-
lumbia visiting Mrs. Linger's parents,
Mr. and Mrs. Emmett McDonnell of
306 Price avenue, left this morning in
their car for Kansas City.

NISH, Oct. 12.—Hurled back at
many points on the Drina and Danube
rivers, the Austro-German forces are
stalled today, with the exception of
the invasion near Belgrade, in their
attempted invasion of Serbia.

All along the frontier the Serbians
have successfully repulsed the at-
tempts of the invaders. The attacks
of the Central Powers between the
Flava and Morava rivers have been
defeated and also an attempt to cross
between Smederevo and Godomina.

The enemy met with heavy losses
when the Serbian army captured the
city of Dedijonte. Hot resistance is
being made in the Belgrade region and
the Serbians have held Gheast Vatcher,
a suburb, despite repeated attacks.

London Hears of Serbian Success.

By United Press.

LONDON, Oct. 12.—All Bulgarian
attacks upon the Serbians have been
repulsed, according to advices from
the Serbian legation here today. The
invasion is said to have begun on
Monday night.

The Bulgarians crossed the fron-
tier at Gariboghar near the city of
Kniazhevatz, a point upon which the
forces had been concentrating for

Dispatches from Athens to the Star
state that two Bulgarian divisions have
attacked Kniazhevatz, an important
railway center through which the Al-
lied armies will have to pass from
Saloniki to Nish in giving aid to the
Serbian government.

By this movement, the Bulgarian
forces are striking both at the Serbian
capital at Nish and the Allies' line of
communication with it. General Mack-
ensen's army, according to latest re-
ports, is still advancing to the south-
east and indications are that he is
pressing to the aid of the Bulgarians
at Nish.

His Brother-in-Law.

Floyd Jones, negro, confessed mur-
derer of Harold Scott, another negro,
was sentenced to ten years in the
state penitentiary by Judge David H.
Harris in Circuit Court this after-
noon. Jones is 19 years old. He came
to Columbia from Iowa last summer
and killed Scott, his brother-in-law, in
a knife fight two weeks after his ar-
rival.

Five cases against Dr. Oscar M.
Long, indicted for writing illegal
prescriptions, were dismissed by the
state and the defendant was discharg-
ed. Two cases against Dr. C. M.
Davidson were decided in favor of the
defendant by Judge Harris last week
